

Have Your Say

We want to hear from you before a planning application for the ERF is submitted to South Lanarkshire Council.

Please take a moment to fill in our feedback questionnaire before you leave the virtual exhibition. Alternatively, you can provide your feedback during the second virtual exhibition which will be online from 1st April 2021, where more information will be available.

We welcome your views*, which where possible will help to shape the application that is submitted. Feedback provided will be included in our pre-application consultation (PAC) report. This will be submitted to South Lanarkshire Council as part of the planning application.

The deadline for submitting your comments is **5pm on Thursday 22 April 2021.**

During both virtual exhibitions there will be two opportunities to chat to members of the project team via scheduled live chat sessions. The live chat events will take place on:

First virtual exhibition

- Thursday 18th February 2021 - 2pm to 6pm
- Thursday 25th February 2021 - 4pm to 8pm

Second virtual exhibition

- Thursday 8th April 2021 – 2pm to 6pm
- Thursday 15th April 2021 – 4pm to 8pm

You are welcome to join us by revisiting this virtual exhibition during these times and clicking on the live chat function button.

* Any comments made to the prospective applicant are not representations to the planning authority. There will be an opportunity to make representations to the planning authority once a planning application has been submitted.

Next Steps

The key next steps will be to prepare the Environmental Impact Assessment (EIA) to inform the design and assessment process. Once the application has been submitted there will be a period of consideration and consultation by South Lanarkshire Council and Scottish Environment Protection Agency, before any decision is made.

A number of other organisations will be asked their views, along with local stakeholders and neighbours.

Timeline of Events

- Expected application submission date: **Spring/Summer 2021**
- Determination Period: **Late 2021**
- Council decision: **Early 2022**
- Construction begins: **Late 2022**
- Operational ERF: **Late 2025**
