

## Have Your Say

It is important for us to understand the views of the local community before we submit a planning application to South Lanarkshire Council\*. We are pleased that, following the first virtual public exhibition, many of you have let us know what you think about our proposals.

We welcome your feedback, which where possible will help to shape the planning application that is submitted. The deadline for submitting your comments is **5pm on Thursday 22nd April 2021.**

If you have already provided feedback, but upon learning more detail in the second virtual public exhibition, wish to submit further comments, we strongly encourage you to do so, and both of your submissions will be considered.

You can also provide feedback or request hard copies of the consultation materials by calling **0800 098 8157** (between 9am and 5:30pm) or by email at [enquiries@overwooderf.com](mailto:enquiries@overwooderf.com).

\* Any comments made to the prospective applicant are not representations to the planning authority. There will be an opportunity to make representations to the planning authority once a planning application has been submitted.

## Live chat sessions

During the virtual public exhibition there will be two further opportunities to chat to members of the project team via scheduled live chat sessions. The live chat events will take place on:

- Thursday 8th April 2021 – 2pm to 6pm
- Thursday 15th April 2021 – 4pm to 8pm

You are welcome to join us by revisiting this virtual exhibition during these times and clicking on the live chat function button in the bottom right-hand corner of your screen.

## Next Steps

The next steps will be to prepare the Environmental Impact Assessment (EIA) to inform the design and assessment process. Once the application has been submitted there will be a period of consideration and consultation by South Lanarkshire Council and Scottish Environment Protection Agency, before any decision is made.

A number of other organisations will be asked their views, along with local stakeholders and neighbours.

## Timeline of Events

- Expected application submission date: **Spring/Summer 2021**
- Determination Period: **Late 2021**
- Council decision: **Early 2022**
- Construction begins: **Late 2022**
- Operational ERF: **Late 2025**

## Keep in touch

If you have any further queries or have any questions or comments, you can contact the team using the following methods: Freephone: **0800 098 8157** (during office hours) Email: [enquiries@overwooderf.com](mailto:enquiries@overwooderf.com)
